

# Recycle Right...

# clothing

Buying a pre-loved cotton dress saves 22,000 litres of water and swapping one suitcase (20kg) of clothes saves enough energy to run a TV non-stop for 1.7 years. Second hand also saves money.

For a step by step guide on 'How to Host a Swap Party' and local second hand stores visit [RecyclingWeek.PlanetArk.org](http://RecyclingWeek.PlanetArk.org) or call the Recycling Hotline 1300 733 712.
