

Recycle Right...

plastic bags

Keep plastic bags out of your home recycling. ✓

"When you put plastic bags in your home recycling we don't know what's in them – it could be dangerous or dirty. We don't have time to open them. And they get caught around the machines so everything grinds to a halt while we have to remove them."

Plastic bags can be recycled at most supermarkets.

For more information visit RecyclingWeek.PlanetArk.org or call the Recycling Hotline 1300 733 712.
